- Extended warranty with Omnik coupon.

# Extended Warranty on Omnik Portal

1. Access the website of <http://www.omnik-solar.com/>
2. Fill in the inverter SN in “Warranty Search”

**E.g.** Inverter SN : NLDN3020135G2090

A screenshot of the Omnik website's main content area. It is divided into three columns: "News &amp; Events", "Projects", and "Video". The "News &amp; Events" section lists two items from 2013.11.20. The "Projects" section features a photo of a house with solar panels and a "Garage England" project link. The "Video" section shows a video player with a play button. In the bottom right corner, a "Warranty Search" section is highlighted with a dashed green border. It contains a search input field with the text "NLDN3020135G2090" and a magnifying glass icon. Below the input field, there is a small instruction: "Please enter the SN serial No. of the omniksol inverter or WiFi."

3. Confirm the warranty period of your inverter right

## 4. Click “Extended Warranty”

Please enter the S/N (serial No.), of the (No Suggestions) inverter/WiFi or PI:

SN	Product	CPU	Warranty	Program	Extend
NLDN3020135G2090 wifi sn:603448250	Omnikosol-3.0K- TL	3064	2013-05-28~ 2018-08-28 (63 month)		<a href="#">Extend Warranty</a>

Warranty Time Instruction:

The diagram shows a horizontal bar representing the warranty period. The bar starts at 0 (Delivery Time) and ends at 63month (Warranty End Time). A vertical line at 15month (Warranty Extension End Time) divides the bar into a grey section (0 to 15 months) and a yellow section (15 to 63 months).

## 5. Fill in personal information required

\*Confirm the SN , Extension Period and Currency is correct.

## 6. Choose PayPal in Payment Method, Read and Agree “Omnik Warranty Terms and Conditions”

## 7. Submit and pay with PayPal.

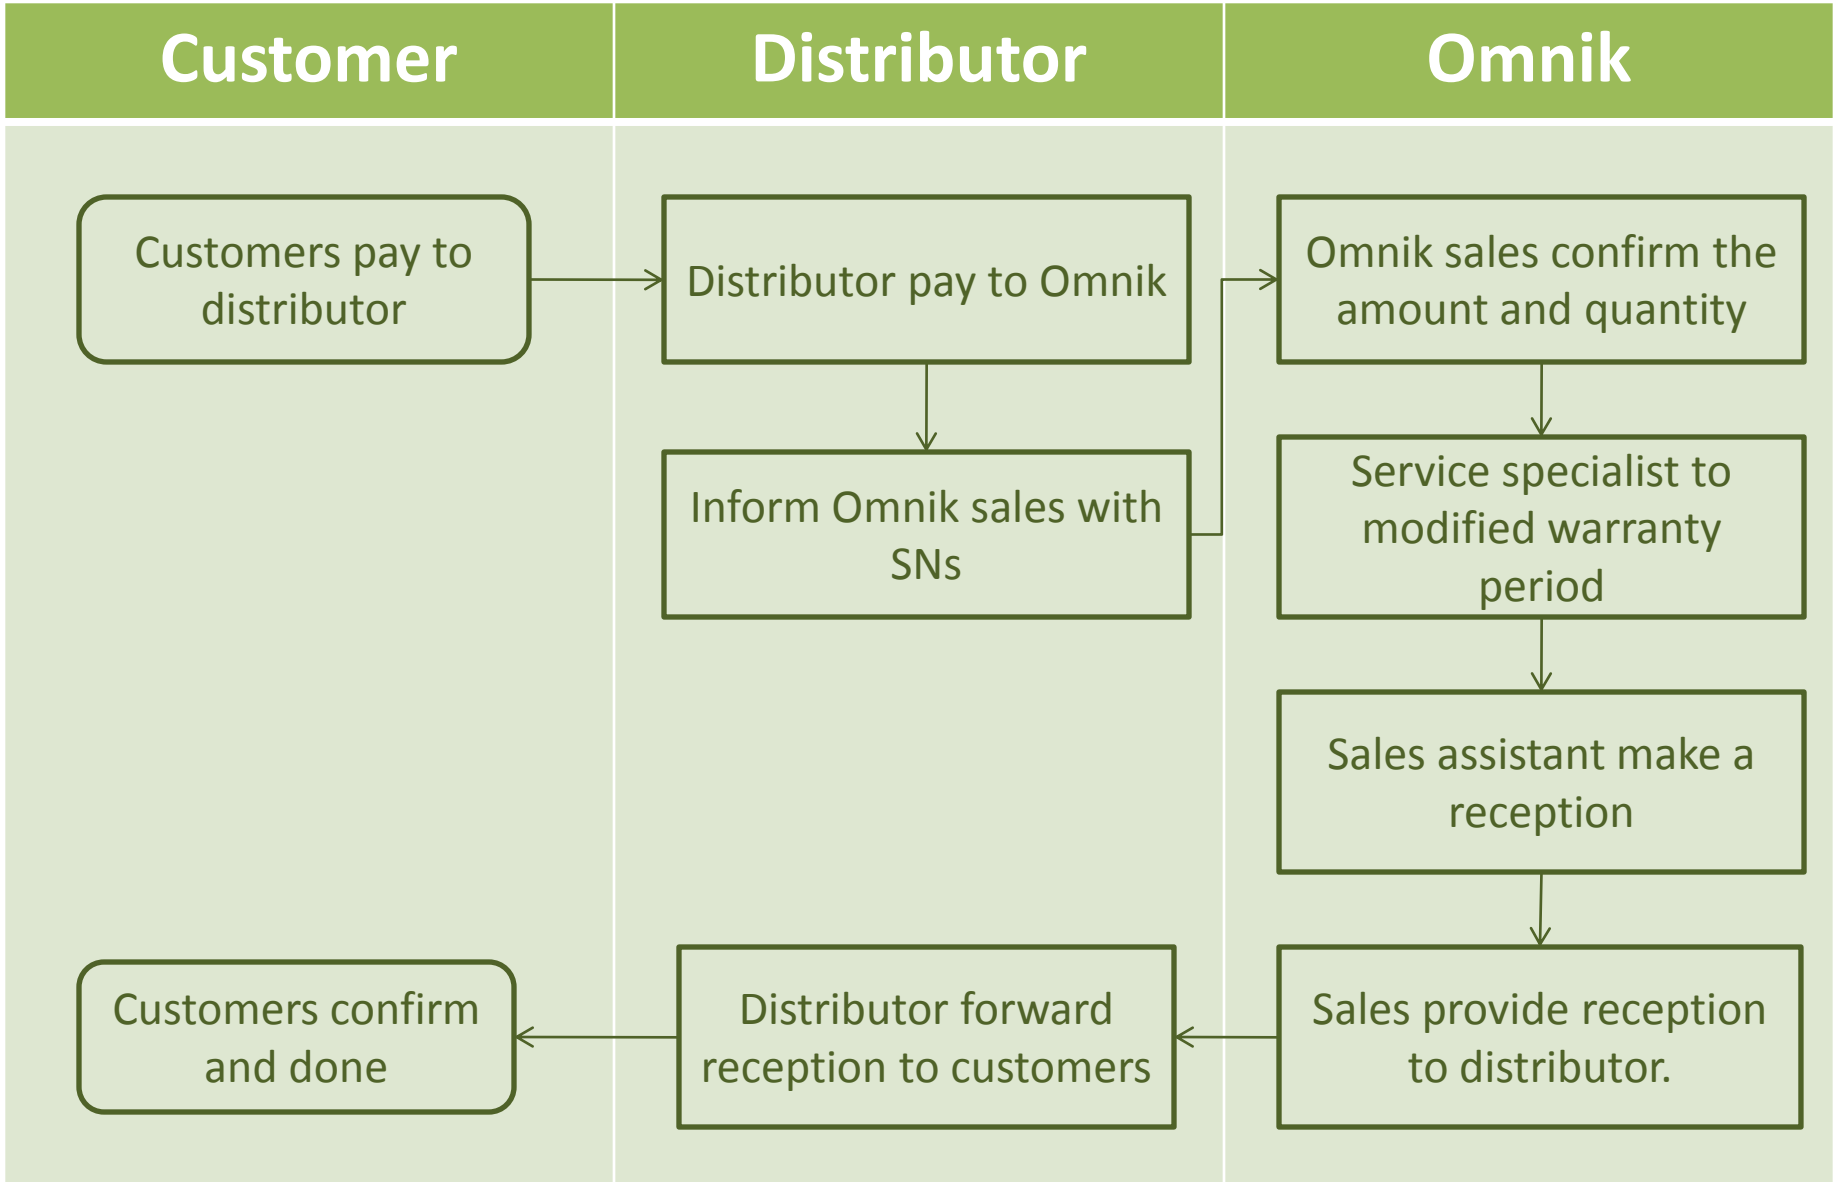

SN	ProductName	Currency*
<input type="text" value="NLDN3020135G2090"/>	<input type="text" value="Omniksol-3.0K-TL"/>	<input type="text" value="\$ - USD (United States Dollar)"/>
ExtensionPeriod*		
<input type="text" value="to 10 Years » \$240"/>		
Additional		
<div style="border: 1px solid #ccc; height: 100px;"></div>		
Payment Method		
<input checked="" type="radio"/>  PayPal Standard		
<input type="radio"/> Warranty Extension Code		
<input checked="" type="checkbox"/> I agree <a href="#">Omnik Warranty Terms and Conditions..</a>		
<input type="button" value="Submit"/>		

8. Warranty will be changed automatically and a reception will be sent to Customer's Email.

Customer can ask for a PDF reception to

[Service@omnik-solar.com](mailto:Service@omnik-solar.com).

# Extended Warranty through Omnik Distributor.

# Extended Warranty with Omnik Coupon

Customers can extend warranty on <http://www.omnik-solar.com/> themselves with inverter SN and Omnik coupon number.

1. Follow same operations from Page 3~Page 4 of this PPT.
2. Choose “Warranty Extension Code” and fill in the coupon number.

A screenshot of a web form for extending a warranty. The form is divided into several sections. At the top, there are fields for 'Title / FirstName\*', 'LastName\*', and 'Email\*'. Below these are 'Street', 'PostCode / City', and 'Country' (a dropdown menu). Further down are 'Phone', 'Fax', and 'CompanyName'. The 'SN' field contains 'NLDN3020135G2090' and the 'ProductName' field contains 'Omniksol-3.0K-TL'. The 'Currency\*' dropdown is set to '\$ - USD (United States Dollar)'. The 'ExtensionPeriod\*' dropdown is set to 'to 10 Years » \$240'. There is a large 'Additional' text area. At the bottom, the 'Payment Method' section is highlighted with a red dashed border. It contains two radio buttons: 'PayPal Standard' (unselected) and 'Warranty Extension Code' (selected). Below the radio buttons is a text input field for the 'Warranty Extension Code\*'. At the very bottom, there is a checkbox for 'I agree Omnik Warranty Terms and Conditions..' and a 'Submit' button.

# Extended Warranty with Omnik Coupon

3. After submit successfully, the warranty will be changed automatically.
4. A reception mail will send to customer's Email. Customer can ask for a PDF reception to [Service@omnik-solar.com](mailto:Service@omnik-solar.com)

Thanks!
